

Matching Gifts

The following organizations have provided information to numerous charities indicating that they have a formal matching gifts program. The organizations listed below may match gifts to animal welfare related charities like the Pennsylvania SPCA. If your company is listed here, please contact your human resources department or supervisor to determine if the PSPCA is eligible to receive matching gift funds and for guidance regarding how to process their gift match. Inclusion in this list is not a guarantee that your organization will match your contribution to the Pennsylvania SPCA. Organizations that appear in **boldface** currently match gifts made by individuals to the PSPCA.

Contact the Employee Giving representative or Human Resources department at your current or former place of work to determine whether or not charitable gifts made to the PSPCA will be eligible for matching. All Matching Gift-related queries can be also be directed to Emily Simmons, Development Associate: Institutional Giving (215.426.6304 ext. 265 or esimmons@pspca.org).
